

# INVESTING IN AMERICA

President Biden's Investing in America  
Agenda is Delivering in

## DISTRICT OF COLUMBIA

**\$5 million** in private sector commitments and **\$2.6 billion** in public investments in clean energy, infrastructure, and manufacturing under the Biden-Harris Administration

*As of May 2024*

**\$174.3M** in funding from the Biden Administration to provide affordable, reliable high-speed internet to everyone in District of Columbia.

**5.2%** unemployment rate with **48.1K** new jobs created under the Biden Administration.

**\$1.8B** announced for transportation investments in roads, bridges, public transit, rail, ports and airports, as well as electric school buses and transit buses, EV charging, and more.

**\$241.2M** announced to provide clean water across District of Columbia and improve water infrastructure. This includes **\$85.7M** dedicated to replacing toxic lead pipes.

**95K seniors and other Medicare beneficiaries** will save money on prescription drug costs.

**49.2K applications** to start new businesses under the Biden Administration.

## Project Spotlights

- ★ The Department of Transportation awarded \$25 million to the Maryland-National Capital Park Planning Commission to rehabilitate six multi-use paths to fill gaps in the bicycle and pedestrian network in the Washington, D.C. metropolitan area.
- ★ The D.C. Department of Transportation was awarded \$7.6 million to replace 25 diesel school buses with zero-emission electric buses, providing cleaner air for children and families.

## Infrastructure

**\$2.4 billion** in Bipartisan Infrastructure Law funding has been announced to District of Columbia for **51 projects**, including:

- **\$1.8 billion** for transportation, including \$863.7 million for roads and bridges, \$872.3 million for public transit, \$1 million for ports and waterways.
- **\$148 million** for high-speed internet since President Biden took office.
- **\$241.2 million** for clean water, including \$85.7 million to replace toxic lead pipes.

## Clean Energy and Climate

Under the Biden-Harris Administration, private companies have announced **\$5 million** in commitments to invest in clean energy industries, including:

- **\$5 million** in clean power projects, including solar, wind, and batteries with enough energy to power an estimated **1,000 homes**.

**\$208.3 million** in public funding has been announced for grants, rebates, and other initiatives to accelerate the deployment of clean energy, clean buildings, and clean manufacturing. This is not inclusive of the clean energy tax incentives from the Inflation Reduction Act.

**\$131.4 million** for clean transportation, including \$10.2 million for EV chargers, \$113.6 million for clean transit buses, and \$7.6 million for clean school buses.

## Lowering Costs

- **\$59.4 million** in home energy rebates to cut energy costs by weatherizing homes and replacing old appliances with more efficient models.
- **95K seniors and other Medicare beneficiaries** will save money on prescription drug costs because of President Biden's \$2,000 yearly cap on out-of-pocket prescription drug costs, a \$35 monthly cap per insulin prescription, free vaccines, inflation rebates, and a drug price negotiation program.
- **15K individuals** in District of Columbia signed up for health insurance through the Affordable Care Act Marketplaces during the Open Enrollment Period for 2024 and will benefit from average savings of about \$800/year from lower health care premiums.
- **\$660.6 million** in student debt cancellation has been approved for **8.9K people** in District of Columbia under the Biden-Harris Administration.
