President Biden's Investing in America
Agenda is Delivering in

GUAM

\$512.2 million in public investments in clean energy, infrastructure, and manufacturing under the Biden-Harris Administration

As of May 2024

\$206.6M in funding from the Biden Administration to provide affordable, reliable high-speed internet to everyone in Guam.

20K seniors and other Medicare beneficiaries will save money on prescription drug costs.

\$66.4M announced for transportation investments in roads, bridges, public transit, rail, ports and airports, as well as electric school buses and transit buses, EV charging, and more.

\$108.7M announced to provide clean water across Guam and improve water infrastructure. This includes **\$20M** dedicated to replacing toxic lead pipes.

Project Spotlights

- ★ The Antonio B. Won Pat International Airport in Guam was awarded a \$21.4 million Airport Terminal Program award to install a new terminal roof with a modern, energy efficient roofing system to strengthen resiliency, ensuring uninterrupted operations and passenger safety after natural disasters.
- ★ The Agana Small Boat Harbor received \$810,000 for maintenance and repairs to the harbor's infrastructure.

Infrastructure

\$382.4 million in Bipartisan Infrastructure Law funding has been announced to Guam for **23 projects**, including:

- **\$66.4 million** for transportation, including \$18.4 million for roads and bridges, \$6.8 million for public transit, \$39.3 million for airports, \$800 thousand for ports and waterways.
- **\$190.1 million** for high-speed internet since President Biden took office.
- **\$108.3 million** for clean water, including \$20 million to replace toxic lead pipes.

Clean Energy and Climate

\$122.9 million in public funding has been announced for grants, rebates, and other initiatives to accelerate the deployment of clean energy, clean buildings, and clean manufacturing. This is not inclusive of the clean energy tax incentives from the Inflation Reduction Act.

Lowering Costs

- **\$51.5 million** in home energy rebates to cut energy costs by weatherizing homes and replacing old appliances with more efficient models.
- **20K seniors and other Medicare beneficiaries** will save money on prescription drug costs because of President Biden's \$2,000 yearly cap on out-of-pocket prescription drug costs, a \$35 monthly cap per insulin prescription, free vaccines, inflation rebates, and a drug price negotiation program.
