

**PRESIDENT JOE BIDEN**

# INVESTING IN AMERICA

President Biden's Investing in America  
Agenda is Delivering in

## NEBRASKA

**\$316 million** in private sector commitments and **\$2.9 billion** in public investments in clean energy, infrastructure, and manufacturing under the Biden-Harris Administration

*As of May 2024*

**\$661.4M** in funding from the Biden Administration to provide affordable, reliable high-speed internet to everyone in Nebraska.

**2.5%** unemployment rate with **65.6K** new jobs created under the Biden Administration.

**\$1.7B** announced for transportation investments in roads, bridges, public transit, rail, ports and airports, as well as electric school buses and transit buses, EV charging, and more.

**\$256M** announced to provide clean water across Nebraska and improve water infrastructure. This includes **\$85.7M** dedicated to replacing toxic lead pipes.

**378K seniors and other Medicare beneficiaries** will save money on prescription drug costs.

**67K applications** to start new businesses under the Biden Administration.

## Project Spotlights

- ★ Novozymes committed to building a \$316 million investment in Blair, Nebraska to produce innovative plant-based protein products.
- ★ Sustainable Beef LLC recently broke ground at a \$325 million beef processing facility in North Platte. Once operational, the plant is projected to create 875 jobs.
- ★ The U.S. Department of Transportation awarded \$23.6 million to construct the Lincoln Multimodal Transit Center. The new sustainable transit center will include bus bays, protected passenger boarding, covered walkways, and more, all of which will improve the safety and security of passengers and pedestrians.
- ★ The Eppley Airfield in Omaha was awarded \$30 million for a new terminal drop-off area and full canopy to reduce air pollution and improve access for passengers with disabilities.

## Infrastructure

**\$2.7 billion** in Bipartisan Infrastructure Law funding has been announced to Nebraska for **387 projects**, including:

- **\$1.7 billion** for transportation, including \$1.3 billion for roads and bridges, \$101.5 million for public transit, \$106.4 million for airports, \$5.2 million for ports and waterways.
- **\$509.4 million** for high-speed internet since President Biden took office.
- **\$251 million** for clean water, including \$85.7 million to replace toxic lead pipes.

## Clean Energy and Climate

Under the Biden-Harris Administration, private companies have announced **\$113.1 million** in clean power projects, including solar, wind, and batteries with enough energy to power an estimated **18,000 homes**.

**\$233.4 million** in public funding has been announced for grants, rebates, and other initiatives to accelerate the deployment of clean energy, clean buildings, and clean manufacturing. This is not inclusive of the clean energy tax incentives from the Inflation Reduction Act.

**\$19.6 million** for clean transportation, including \$17.3 million for EV chargers, and \$2.3 million for clean school buses.

## Lowering Costs

- **\$91.4 million** in home energy rebates to cut energy costs by weatherizing homes and replacing old appliances with more efficient models.
- **378K seniors and other Medicare beneficiaries** will save money on prescription drug costs because of President Biden's \$2,000 yearly cap on out-of-pocket prescription drug costs, a \$35 monthly cap per insulin prescription, free vaccines, inflation rebates, and a drug price negotiation program.
- **118K individuals** in Nebraska signed up for health insurance through the Affordable Care Act Marketplaces during the Open Enrollment Period for 2024 and will benefit from average savings of about \$800/year from lower health care premiums.
- **\$742.8 million** in student debt cancellation has been approved for **15.3K people** in Nebraska under the Biden-Harris Administration.
