
INVESTING IN AMERICA

Open and Upcoming Infrastructure Funding Opportunities

As of May 10, 2024

Since President Biden signed the Bipartisan Infrastructure Law 2.5 years ago, the Administration has hit the ground running to deliver investments that change people’s lives for the better and get America moving again. The Biden-Harris Administration is committed to making funding opportunities accessible and transparent, so communities across America know what to apply for, who to contact, and how to get ready to implement. This document highlights funding opportunities that communities can apply for today as well as a calendar of key upcoming funding opportunities for 2024. For more information on the full set of programs in the Bipartisan Infrastructure Law, including upcoming milestones, visit [build.gov](https://www.build.gov).

2024 CALENDAR OF UPCOMING FUNDING OPPORTUNITIES	9

OPEN FUNDING OPPORTUNITIES TO APPLY FOR TODAY

Program	Agency	Description	Deadline	Link to Application/ Information
TRANSPORTATION				
Safe Streets and Roads for All	Department of Transportation	This program supports planning and demonstration activities, as well as projects and strategies to prevent death and serious injury on roads and streets involving all roadway users, including pedestrians; bicyclists; public transportation, personal conveyance, and micromobility users; motorists; and commercial vehicle operators.	5/16/2024 and 8/29/2024	Link to NOFO
Consolidated Rail Infrastructure Safety Improvements (CRISI)	Department of Transportation	This program provides funding for projects that improve the safety, efficiency, and reliability of intercity passenger and freight rail.	5/28/2024	Link to NOFO
Active Transportation Infrastructure Investment Program	Department of Transportation	This program aims to improve the safety, efficiency, and reliability of active transportation networks and communities; improve connectivity between active transportation modes and public transportation; and enhance the resiliency of on- and off-road active transportation infrastructure.	6/17/2024	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
Electric or Low Emitting Ferry Program and Rural and Passenger Ferry Program	Department of Transportation	<p>This NOFO combines three ferry programs. The Electric or Low-Emitting Ferry Pilot Program provides competitive funding for projects that support the purchase of electric or low-emitting ferries and the electrification of or other reduction of emissions from existing ferries. The Passenger Ferry Program provides funding to improve the condition and quality of existing passenger ferry services, support the establishment of new passenger ferry services, and repair and modernize ferry boats, terminals, and related facilities and equipment. The Rural Ferry Program provides funding for capital, operating, and planning expenses for ferry service to rural areas.</p>	6/17/2024	Link to NOFO
POWER, CLEAN ENERGY & WORKFORCE DEVELOPMENT				
Transmission Facilitation Program (PPP for Microgrids)	Department of Energy	<p>DOE will provide up to \$200 million for transmission projects to connect remote and isolated microgrids to existing infrastructure corridors in Alaska, Hawaii, and US territories.</p>	5/31/2024	Link to NOFO
Renew America's Schools Prize	Department of Energy	<p>DOE will provide funding to America's K-12 schools to make critical infrastructure upgrades that improve energy efficiency, reduce costs, improve indoor air quality, and foster healthier learning environments.</p>	6/13/2024	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
Grid Resilience State and Tribal Formula Grant	Department of Energy	Grants to states, territories, and Tribes to strengthen and modernize America’s power grid against wildfires, extreme weather, and other natural disasters that are exacerbated by the climate crisis.	6/17/2024	Link to NOFO
Advanced Manufacturing and Recycling Grant Program	Department of Energy	DOE will provide \$425 million in funding to reduce industrial emissions and advance clean energy manufacturing.	6/24/2024	Link to NOFO
Energy Auditor Training Grant Program	Department of Energy	This program is designed to provide grants to eligible states to train individuals to conduct energy audits or surveys of commercial and residential buildings to build the clean energy workforce, save customers money on their energy bills, and reduce pollution from building energy use.	6/28/2024	Link to NOFO
Energy Efficiency and Conservation Block Grant Program	Department of Energy	Grants to assist states, local governments, and Tribes in implementing strategies to reduce energy use, to reduce fossil fuel emissions, and to improve energy efficiency.	Local Govt: 10/31/2024 Tribes: 5/31/2025	Link to NOFO
RESILIENCE, ENVIRONMENT, AND LEGACY POLLUTION				
STORM Revolving Loan Fund Program	Department of Homeland Security, FEMA	This program provides funding to states to establish revolving loan funds for hazard mitigation projects.	4/30/2024	Link to NOFO
Tribal Orphaned Wells Program	Department of the Interior	This funding allows Tribes to plug and remediate orphaned oil and gas wells on Tribal lands.	5/17/2024	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
Pollution Prevention Grants	Environmental Protection Agency	This program awards grants for states and Tribes to provides businesses with technical assistance to help them develop pollution prevention best practices.	5/17/2024	Link to NOFO
Swift Current	Department of Homeland Security, FEMA	This program provides flood mitigation assistance to reduce the risk of future flood damage in areas following a major disaster declaration.	5/31/2024	Link to NOFO
Resilient and Efficient Codes Implementation	Department of Energy	Funding for States, and Tribal and local governments to implement more efficient building energy codes.	6/6/2024	Link to NOFO
Assisting Federal Facilities with Energy Conservation Technologies (AFTECT) program	Department of Energy	Provides grants to federal agencies that they can leverage with private capital to make energy and water efficiency upgrades to federal buildings.	6/27/2024	Link to NOFO
WaterSMART Planning and Project Design Grants for FY 2024	Department of the Interior, Bureau of Reclamation	This program offers cost sharing for the site-specific final design of medium and large-scale water supply and management construction.	Round 2 closes 5/21/2024	Link to NOFO
WaterSMART Environmental Water Resources Projects 2024	Department of the Interior, Bureau of Reclamation	DOI will provide up to \$95 million for projects to bolster water resources, advance ecosystem health and support resilience in communities facing drought and other climate change impacts.	6/18/2024 and 3/11/2025	Link to NOFO
WaterSMART Small-Scale Water Efficiency Projects	Department of the Interior, Bureau of Reclamation	This program funds small projects that reduce water use.	7/9/2024	Link to NOFO
WaterSMART Cooperative Watershed Management	Department of the Interior, Bureau of Reclamation	This funding allows communities to form watershed management groups or implement watershed projects.	9/3/2024	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
WaterSMART Large-Scale Water Recycling Projects	Department of the Interior, Bureau of Reclamation	This funding allows communities to implement large projects to recycle and conserve water.	9/30/2024	Link to NOFO
WaterSMART Desalination Construction Projects	Department of the Interior, Bureau of Reclamation	This program funds seawater and brackish water desalination projects.	9/30/2024	Link to NOFO
WaterSMART Title XVI Water Recycling Projects	Department of the Interior, Bureau of Reclamation	This program funds projects that reclaim or reuse water.	9/30/2024	Link to NOFO
Abandoned Mine Land State Formula Grants	Department of the Interior	This program provides formula grants to states to remediate abandoned coal mine lands.	9/30/2024	Link to NOFO
Drinking Water and Clean Water State Revolving Funds	Environmental Protection Agency	EPA State revolving funds are a federal-state partnership that provides low-cost financing to communities for a wide range of water quality infrastructure projects, including wastewater treatment systems, drinking water upgrades, lead pipe replacement, PFAS treatment, stormwater runoff mitigation, green infrastructure, estuary protection, and water reuse.	Funding for projects is available from states on rolling basis; State capitalization grant award deadline of 9/30/2024 for FY23 funding	Link to NOFO
Emerging Contaminants for Small or Disadvantaged Communities	Environmental Protection Agency	This EPA grant program addresses emerging contaminants, including PFAS, for scoping, planning, testing and remediating emerging contaminants in drinking and source water.	Rolling Basis	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
HIGH SPEED INTERNET AND COMMUNITY DEVELOPMENT				
Digital Equity Capacity Grant Program	DOC/NTIA	The Digital Equity Capacity Grant Program is the second of three digital equity programs funded by BIL. This program funds states and territories to carry out the digital inclusion activities identified in digital equity plans.	States, DC, and Puerto Rico: 5/28/2024 Other Territories: 7/31/2024 Native Entities: 2/7/2025	Link to NOFO
States' Economic Development Assistance Program	Delta Regional Authority	The program aims to target federal resources toward communities in the Mississippi River Delta and Alabama Black Belt regions. This program will give public entities in the Delta Region access to strategic planning funds to address long-standing issues and develop a roadmap for economic growth and opportunity. SEDAP funds direct investment into community based and regional projects that address the DRA's priorities, including basic public infrastructure, transportation, business development, and job training. Eligible plans include, economic development, utility rate studies, transportation plans, workforce development plans, and broadband deployment plans.	6/25/2024	Link to NOFO

Program	Agency	Description	Deadline	Link to Application/ Information
Catalyst Program	Northern Border Regional Commission	NBRC is making up to \$20 million available to fund investment priorities, including projects that directly benefit underrepresented communities and projects that help communities adapt to climate impacts.	9/6/2024	Link to NOFO
Appalachian Regional Initiative for Stronger Economies (ARISE)	Appalachian Regional Commission	This program aims to drive large-scale, regional economic transformation through multi-state collaborative projects across Appalachia. ARC launched ARISE to strengthen Appalachian business and industry, and to grow and support the development of new opportunities across multiple states.	Rolling Basis	Link to NOFO
Strategic Planning Program Fund	Delta Regional Authority	This program will give public entities in the Delta Region access to strategic planning funds to address long-standing issues and develop a roadmap for economic growth and opportunity. Eligible plans include, economic development, utility rate studies, transportation plans, workforce development plans, and broadband deployment plans.	Rolling Basis	Link to NOFO
Community Infrastructure Fund	Delta Regional Authority	This funding will support economic and community development needs within DRA's region. Approximately \$30 million is available to address basic public and transportation infrastructure, as well as flood control issues for communities within DRA's eight-state service area.	Rolling Basis	Link to NOFO

2024 CALENDAR OF UPCOMING FUNDING OPPORTUNITIES

Program	Agency
SPRING 2024	
Federal-State Partnership for Intercity Passenger Rail – Northeast Corridor	Department of Transportation
Railroad Crossing Elimination Program	Department of Transportation
SMART Stage 2	Department of Transportation
Low Carbon Materials	Department of Transportation
National Culvert Removal, Replacement & Restoration Grants	Department of Transportation
Charging and Fueling Infrastructure	Department of Transportation
Rural and Municipal Utility Advanced Cybersecurity Grant and Technical Assistance (RMUC) Program	Department of Energy
Transmission Facilitation Program (PPP for Microgrids)	Department of Energy
Grid Resilience State and Tribal Formula Grant	Department of Energy
Renew America’s Schools Prize	Department of Energy
Swift Current	Department of Homeland Security, FEMA
SUMMER 2024	
Airport Terminals Program	Department of Transportation
SMART	Department of Transportation
Reconnecting Communities Program	Department of Transportation
PROTECT	Department of Transportation
WaterSMART Small-Scale Water Efficiency Projects	Department of the Interior, Bureau of Reclamation

Energy Auditor Training Grant Program	Department of Energy
Advanced Manufacturing and Recycling Grant Program	Department of Energy
Resilient and Efficient Codes Implementation	Department of Energy
Assisting Federal Facilities with Energy Conservation Technologies (AFFECT) program	Department of Energy
Energy Auditor Training Grant Program	Department of Energy
Strategic Planning Program Fund States' Economic Development Assistance Program	Delta Regional Authority
Abandoned Mine Land State Formula Grants	Department of the Interior
FALL 2024	
RAISE	Department of Transportation
WaterSMART Large-Scale Water Recycling Projects	Department of the Interior, Bureau of Reclamation
WaterSMART Cooperative Watershed Management	Department of the Interior, Bureau of Reclamation
WaterSMART Title XVI Water Recycling Projects	Department of the Interior, Bureau of Reclamation
Reducing Truck Emissions at Ports	Department of Transportation
Energy Efficiency and Conservation Block Grant Program	Department of Energy
Digital Equity Competitive Grant Program	Department of Commerce
